

# Preconference Workshops

Preconference workshops are an optional offering and require a separate signup. If you did not register for the preconference workshops, you cannot attend.

## Select Preferred Workshops

You can choose one workshop in the morning and one workshop in the afternoon. For more details about the workshop contents and instructors, refer to the full agenda on [www.psconf.eu](http://www.psconf.eu).

	Track 1 Room 11+13	Track 2 Room 12+14	Track 3 Room 24+26	Track 4 Room 25
08:00	Preconf Registration			
09:00	PowerShell Remoting English	Nanoserver und Container German	DSC Introduction English	PowerShell Security Einführung German
12:00	Lunch			
13:00	JEA and Security English	Chocolatey, PowerShellGet und Paketverwaltung German	Writing world-class DSC resource modules English	GUIs und Toolmaking mit PowerShell German

Please visit <http://powershell.fun> to pick your preferred workshops. This helps us with capacity planning. Important: you are indicating preferences. You are not reserving workshops. We are offering workshops on a best-effort first-come first-serve basis.

## Workshop Location

All preconference workshops take place May 2, 2017, at the *Hannover Congress Centrum (HCC)*. Registration starts at 8:00h. Workshops start at 9:00h.

*Hannover Congress Centrum (HCC)*  
*Theodor-Heuss-Platz 1-3*  
*30175 Hannover*

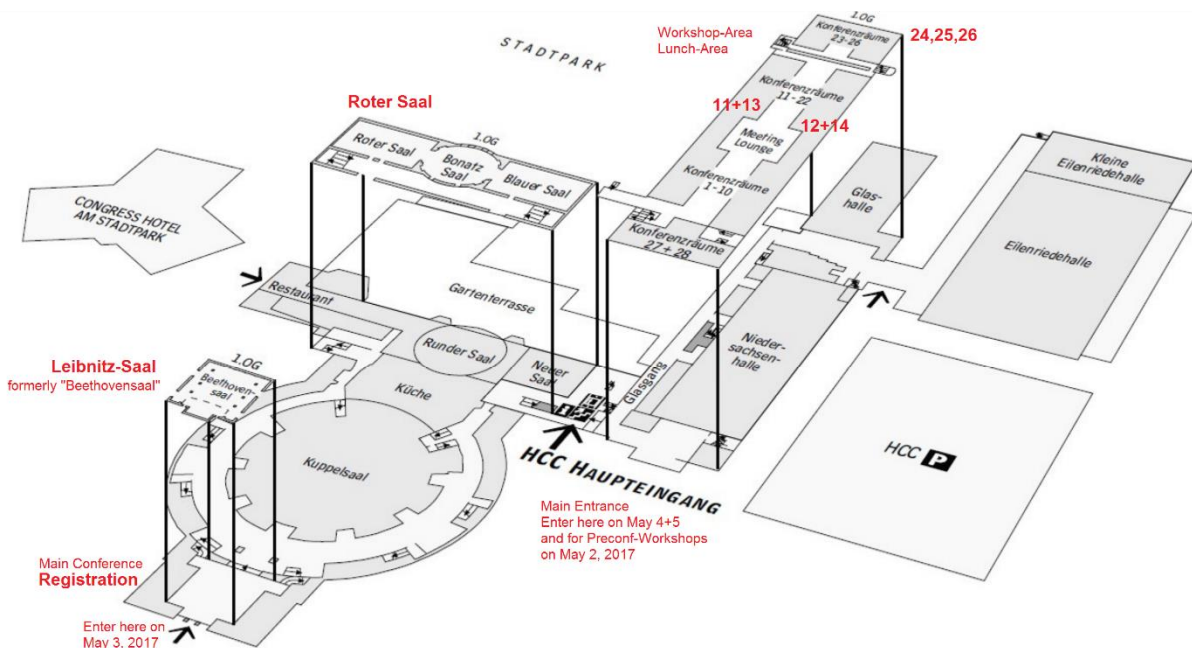

Enter the Hannover Congress Center via the main entrance, and take the stairs up to level 1. An elevator is available. Follow the hallway into the workshop area.

In the center of the workshop area, you'll see the registration desk.

## Registering at the Venue

To register, please bring a photo ID and your registration number. Your registration number is your invoice number. Registration numbers start with "E" or "G", followed by a number.

During registration, you receive your conference pass so you are all set for the entire conference.

## Notebook & WiFi

Bring your notebook and check to be sure you updated to the latest version of PowerShell (Version 5.1) if you'd like to follow the examples and code yourself.

WiFi and Internet access is available in the entire the workshop area:

*SSID: psconf\_delegates*  
*Password: psconfeu*

## Lunch Break

Lunch is served from 12:00-13:00h. All food is declared in English and German. Please get in touch with the catering service personnel if you have special requirements or allergies.

## Questions?

For questions, please visit [www.psconf.eu](http://www.psconf.eu), and use the contact form in the footer bar.

We are sincerely looking forward to you!

*Your PowerShell Conference EU Organizers Crew*
